

Start a Rainforest in your city

The power to transform lives and neighborhoods.

- A new sign for the park
- Colorful benches for Main Street
- A historic mural in your downtown plaza
- A water feature that reflects your town's vision for the future

Stained Glass Mosaic Bus Stop Shelter
City of Imperial, CA

You no longer have to search the country for the talent to fulfill the creative projects in your city...

It's in your own neighborhood.

Rainforest School Art Projects
